

Disclosure of greenhouse gas (GHG) emissions and progress against target

Yamada Electric Ind. Co., Ltd.

July 1, 2024

Our greenhouse gas (GHG) emissions (Scope 1 and 2) targets and results are as follows.

	FY2020 Results (Base year)	Actual results for FY2023 (compared to base year)	2030 Target (compared to base year)
Scope1 and 2	117.443t-CO ₂	129.899t-CO ₂ (+10.6%)	-42%

We have set a target of reducing GHG emissions (Scope 1 and 2) 42% by 2030 from a 2020 base year, and have obtained certification from the Science Based Targets initiative (SBTi).
